

A UNISON RISK ADVISORS Company

REAL ESTATE, HOSPITALITY & GAMING

Managing your risk profile so that you can focus on growth & profitability.

Improved Efficiency & Lowered Costs

RCM&D's Real Estate, Hospitality & Gaming Practice meets the complex risk management, insurance and employee benefits needs of this unique industry. We take an in-depth approach to understand your business and assess your total asset and risk management profile so that we can offer uniquely tailored solutions.

Dedicated Professionals

Our Real Estate, Hospitality & Gaming Practice is made up of more than 20 consultants, brokers and attorneys. We use a consultative approach and act as your partner and advisor to develop a deep understanding of your business and internal processes. Instead of focusing solely on insurance placements, we look at your overall strategy to create and implement short-term and long-term tactics that will lower your total cost of risk, protect your assets and help your organization operate efficiently.

Expertise for Current Challenges

Real Estate

Our ongoing relationships with legislators, as well as local and national real estate industry leaders, give us a unique vantage point on current issues and exposures. Our long-standing partnerships with the top insurance carriers offer us the highest level of access to niche and national markets. We understand industry challenges and develop innovative solutions for the issues that affect the industry today, such as terrorism, cyber liability, unmanned aerial vehicles, environmental liability and total cost of risk.

Hospitality & Gaming

We understand the unique challenges and competitive nature that define the hospitality and gaming industry. As legislation continues to shift and consumer habits change, our team has the experience and knowledge to provide a host of insurance and risk management solutions to help your business adapt. Whether it's staying in compliance, questions with food safety or liquor licensing, or obtaining the right insurance policies for your properties, our team's diverse skillset has you covered.
