

CUSTOMIZED SOLUTIONS FOR HIGHER EDUCATION

RCM&D's Education Practice helps protect your college or university against the complex risks and liabilities inherent in higher education, including campus and life safety, compliance with changing federal regulations, financial risks, cyber security threats, and student activities. By taking the time to understand your school's operations, administration and goals, we can tackle even the most hidden risks and create solutions that will protect your institution and its financial viability.

Flexible & Customizable Insurance Solutions

RCM&D's Education Practice works in tandem with administrators to develop sustainable, cost-effective solutions, including:

-  Property & Casualty Insurance Brokerage
-  Enterprise Risk Management Consulting
-  Education Risk Assessments
-  Special Risk (Student Health & Accident, Global Medical)
-  Employee Benefits
-  Retirement Plan Consulting

As a leading broker to educational institutions in the mid-Atlantic region, RCM&D offers broad market access, competitive premiums and unmatched expertise.
