

A background image showing the silhouettes of three business professionals in an airport terminal. A woman on the left is pulling a suitcase, a man in the center is holding a briefcase, and a man on the right is looking at a smartphone. An airplane is visible in the background.

# BUSINESS TRAVEL ACCIDENT

Protecting your employees at home, on the road, or abroad is one of the critical obligations every organization must fulfill. One solution to ensure your employees are always protected is a well-rounded Business Travel Accident policy.

RCM&D can help you tailor a Business Travel Accident plan that's just right for your organization's travel needs – from trips abroad to those just across town, and everywhere in between.

## Key Features

Business Travel Accident coverage bundles some of the most critical insurance coverage options into one comprehensive policy. Some of the key options available on a Business Travel Accident policy include:

### **Emergency Evacuation, Repatriation & Out of Country**

This benefit covers the treatment and transportation of an injured employee or an employee who has become ill while out of the country. It also offers security evacuation in the event of a natural disaster or political unrest.

### **Accidental Death & Dismemberment**

Coverage that pays a benefit upon the accidental death of an insured or upon the accidental loss of a limb.

### **Coverage Extensions for Spouses & Dependent Children**

Ensuring the family of an insured is covered during travel.

### **Access to Travel Assistance**

24/7 access to both travel and medical assistance.

### **Telemedicine**

Gain access to US-based healthcare providers even while overseas. This benefit is for non-emergency situations.

## Talk to a Trusted Advisor

Business Travel Accident coverage can help you fulfill your duty of care for employees with ease and confidence. Talk to a trusted advisor today for more information on protecting your employees at home and abroad.
