

# TOTAL HEALTH: CUSTOM DENTAL OPTIONS FROM RCM&D AND REGEN PARTNERS

Now more than ever, colleges and universities are placing a heightened focus on total health and wellness for their campus communities.

This strategy is a mutually beneficial one as the institution becomes more desirable to prospective and current students while the student body enjoys a healthier lifestyle.

RCM&D, in partnership with **Regen Partners**, is proud to offer new custom dental options for schools looking to add value to their health programs. This state-of-the-art platform can be implemented at no cost and with no liability to the school, resulting in instant value alongside the provision of access and affordability to a core health need.

## Breaking Down the Benefits

This new dental platform allows students easier access and guaranteed affordability to routine and comprehensive dental care. Participating institutions can expect:

- ✔ A-rated paper coverage with exclusive partnerships with highly rated insurance carriers.
- ✔ Discounted premiums and expanded benefits are available with specific implementations.
- ✔ Insurance that can be used anywhere in the country, at home or on campus.
- ✔ Coverage is available for both students and staff or can be provided only to students.
- ✔ Member incentives and discounts for utilization at the campus clinic and/or at a local partner dental practice.

## The Campus Clinic

This plan offers the option for boutique campus-based dental services to be implemented in addition to partnerships with local dentists. The campus clinic can be provided at no cost and no liability to the university. It can go anywhere on campus and reflects a customized footprint based on the space available.
